

Course Rules

- All food & beverage product must be purchased from Black Mountain in accordance with State of Nevada Food & Beverage regulations, which prohibits outside product to be consumed on this property. **NO PRIVATE COOLERS.**
- Please repair your ball mark plus one other.
- Please use the sand bottle provided on the cart to fill the divots.
- You are responsible for the golf cart you are assigned. Occupants are financially responsible for all damage.
- Observe all cart informational signs. Return to the paths as directed. No driving golf carts over curbs.
- Only 2 riders per cart. Cart operators must have a valid drivers license. At no time can young CHILDREN drive the cart.
- If you have an open hole in front of you, and a group behind you is playing faster and waiting, please allow the faster players to play through.
- Each player must have his/her own set of clubs. Rentals are available.
- Dress Code: Shorts must be mid-thigh or longer. Dress denim is allowed, however, no holes or cutoffs. Men must wear shirts with sleeves and any promotion must be golf related and tasteful. Ladies shirts designed without sleeves or collars are allowed. However, spaghetti straps, swimwear, or mid-drifts are not allowed. Soft spikes only.
- Management reserves the right to revoke playing privileges to any person in violation of any course rules or golf etiquette.

Local Rules

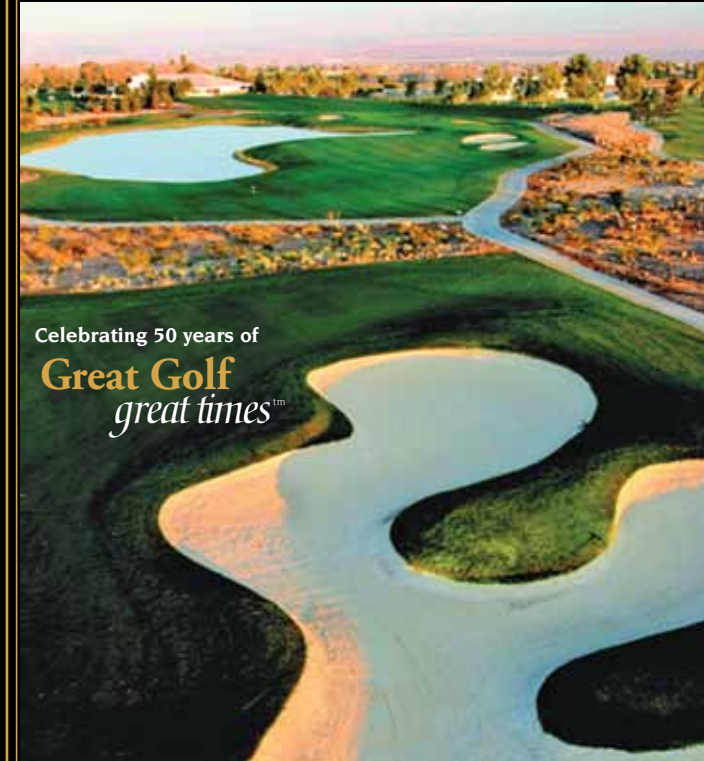

- For safety purposes: When teeing the ball on Hole #2 Horizon, the left edge of the cart path on #8 Desert is out of bounds and when teeing on Hole #9 Desert, the left edge of the cart path on #7 Desert is out of bounds.
- Balls hitting the overhead wire when teeing on #9 Founders must be replayed. No penalty.
- Embedded ball rule is in effect through the green.
- Decorative rocks used for course aesthetic improvements are considered an integral part of the course - free relief is not granted.

Black Mountain Golf & Country Club
is available for golf outings, weddings, banquets or receptions.
Equity and non-equity memberships are available.
Black Mountain irrigates with reclaimed water.
